ABOUT THIS CATALOGUE

Everything your property needs, in one place.

Chinex Hospitality is a trusted hospitality solutions provider supplying premium-quality hotel amenities, linens, guest room accessories and housekeeping equipment to hotels, resorts, serviced apartments and other accommodation providers across Nigeria. This catalogue presents our full range of 28 products across 4 supply categories, each with a reference code for fast, accurate ordering.

HOW TO PLACE AN ORDER

01 Browse & note your item codes

Look through the catalogue and note the item code (e.g. CHX-LIN-04) and quantity for each product your property needs. The order form on the last page is set up to help with this.

02 Send us your list

Share your item codes and quantities with our team by phone, WhatsApp or email — whichever is easiest for you. Include your property name and delivery location.

03 Receive your quotation

Pricing is arranged per order based on quantity, specification and delivery location, so we'll come back to you with volume-based pricing and confirmed lead times.

04 Confirm & receive delivery

Once your order and pricing are confirmed, we prepare and dispatch from our Lagos facility, with delivery arranged to hotels and serviced apartments nationwide.

GOOD TO KNOW

Product finishes, sizes and packaging may be customised for volume orders — including branded amenity kits, embroidery and monogramming. Every item code in this catalogue maps directly to our current product range, so quoting it when you order helps us confirm your requirements quickly and accurately.
